TB/SCI Rehab Fund Board

- The Traumatic Brain and Spinal Cord Injury Rehabilitation Fund Board was established in June 1998 by the West Virginia Legislature to provide services that promote functional independence and productive lifestyles for residents with traumatic brain or spinal cord injury.
- The Board establishes priorities and criteria for disbursement of funds.
- The funds are administered by the West Virginia Department of Health and Human Resources, Bureau for Behavioral Health and Health Facilities.
- A committee reviews fund applications and approved awards based on recommendations from TBI Resource Coordinators. The committee includes representatives from the TB/SCI Rehabilitation Fund Board and the Bureau for Behavioral Health and Health Facilities.
